

New to Canterbury?

Register with a General Practice team
for your health care needs

When settling in Canterbury you need to register with a General Practice Team. This team will become your first point of contact for health advice and care.

Registering with a General Practice team is the first step to ensuring you get the right care at the best price.

For information about locating a General Practice Team or other health services in Canterbury go to www.cdhb.health.nz

Once registered you can also call your General Practice Team 24 hours a day seven days a week, for free health care advice.
